

PD-021 VISION & MISSION

Our Vision

To ensure that all South Africans with retinal conditions have access to appropriate treatments.

Our Mission

- To empower people with low vision to be productive members of society through information-sharing, training, counselling, and other services.
- To support research into retinal conditions and to ensure that this benefits all South Africans.
- To market Retina South Africa, to raise awareness and to raise funds.

Policy Responsibility

The Management Committee of Retina South Africa has appointed a Governance & Risk Management Sub-Committee (GSC) to oversee governance at Retina South Africa and is the body responsible for this policy.

The Management Committee of Retina South Africa has appointed an Information Officer and delegated to the Information Officer the authority to fulfil the duties and responsibilities required in relevant legislation and regulation to ensure the lawful processing of personal information and data protection at Retina South Africa.

Revision History

The policy (and any procedures, standards and guidelines supporting the policy) is reviewed by the Governance & Risk Management Committee regularly. Revised policies are approved by the Management Committee. Any revisions of the policy will be recorded in a revision history filed with this policy. Compliance with this policy is monitored and may be subject to audit.
